ShadeTech® RB/RBX Roman Blind Systems

By Waverley

Detailed description

Roman blinds are a stylish soft window furnishing that suit both traditional and contemporary interiors. Suitable for hotels, commercial offices and particularly in school student and staff accommodation areas.

Easy to operate via a single chain control, roman blinds can be made using any curtain fabric and can be lined to improve black-out and thermal performance. They are robust and easy to use providing a stylish soft furnishing solution for commercial offices, hotels and sleeping accommodation in both contemporary and traditional interiors. Endless fabric choice enables the ShadeTech® Roman Blind to match any interior design scheme.

Features/ Benefits:

- Peace of mind - five year hardware warranty and minimal maintenance.
- Extruded aluminium headrail.
- Safety clutch allows blind to be raised and lowered with chain pulled in the same direction (chain operated).
- Safe by design - meets BS EN 13120 child safety requirements (motorized).

Manufactured and installed in accordance with a quality system certified under BS EN ISO 9001: 2009.
